

1.2.3 – Christophe Madrolle

Piste 7

Code ISWC : **T-703.467.811.2**

I go to sleep to a stupid melody
Walking through a sparkling track
A lady like prince is crying like a little girl
“My beautiful shoes are now dirty”
I’ll go barefoot theres no turning back
A drag artiste dressed as a witch is kissing a princess
A hand in her pink hair the other on her cheek
I suspect a love story between them

1-2-3

Here we go

In this colored Kingdom

No line, no crime

The characters celebrate, extravagants and welcomed

Everyone is proud, everyone is beautiful

I think i’ll stay in this very playful kingdom

I wake up in this rainbow flag castle
Fairys are pole dancing by my bed
They wave their magic stick and I’m blown away
I hear drum rolls the king is here !
I’m not Crazy OK ?
With his golden sword he strokes me in the night
“You honored me by offering your shoes I now dub you Knight”
I am now a Knight !
