The stage is calling you, come and sway !  
Take off your jacket, put yourself on display  
Lose yourself, life is a Cabaret  
Show us what you've got, all the way

Put your hands up !  
Put your hands up !

Rythm's in your mind, let your self be free.  
Time stop, stop, stop the melody  
Put your hands up, you have got the key.  
Everything is going swell, fly in the air

Put your hands up !  
Put your hands up !

**Clap, clap, no excuse, gotta stay at the top**  
**Clap, clap, no excuse, no reason to stop**  
**Life is so fun**  
**Run, run, runaway, Ohh !**  
**No excuse, no excuse, let it be**

Now be Louder, your body is having fun.  
With no stress, you dance in the sun  
The ground's shaking underneath our feet  
Here we go, you made it with everybody.

Put your hands up !  
Put your hands up !

**Clap, clap, no excuse for the past**  
**Clap, clap, no excuse let everything last**  
**Life is so fun**  
**Run, run, runaway, Ohh !**  
**No excuse, no excuse, have a blast**
