Hey you ! Are we Crazy to you ?
When we want to exchange our clothes or one kiss
Do you know how diversity is a bliss
Why choose ? Why choose ? Why choose ?

Hey you ! You are such a cliché !
Things are changing please open your eyes
Men, women or trans every one's a winning prize
Why choose ? Why choose ?

We are the love, love, love, generation
The best of, of, of this civilisation
Stop being close minded and admit it
We're pansexual and we like it
We're pansexual just ignore it

Hey you ! Why are you so interested ?
To know, who does who and how ?
Maybe you want details and a manual ?
Why choose ? Why choose ? Why choose ?

Hey you ! Don't hate us
Don't let frustration win
You know no one will judge you for being you
After all why choose ? Why choose ?

Hey you ! Are we Crazy to you ?
Are we Crazy to you ?
Are we Crazy to you ?
